Dear RMCA Golf League Members

Spring is almost upon us and brings us closer to the beginning of another year of golf. As always, we are scheduled to begin on the first Tuesday of May, weather permitting, which this year is on May 7th.

Dues for 2024 will be \$65 for members, and will include a mid-season cook-out as well as an end-of-year banquet at the Reading Mandarin for golfers only, and initially scheduled for October 1st, 2024. Greens fees will be \$20 per round, up and \$12 per rider per cart up \$1 from last year. Pull carts remain the same at \$3.

We are planning to have our annual Cook-Out on August 6th with August 13th as a rain date. We'll have "Closest to the Pin" competitions on the 3rd, 6th and 9th holes. We will be asking the first group out that morning to set out the markers, and the final group to bring them in. Your cooperation is appreciated.

Attached is the 2024 RMCA Golf League application. All the information you need is on the application. So, enroll in the league and be prepared for a lot of no-pressure golf, a great cookout and a wonderful banquet to celebrate another fun year of golf.

Please complete the application, cut off the member information, and keep the remainder so that I don't have to answer your questions all golf season.

Send your application with the appropriate amount to Tony Dello Russo, or Mike Comer. The other option is to bring your application and payment on Tuesday May 7th. If you have any questions, please contact Tony, or Mike at:
